ABOUT US

AKSAN KOZMETIK was established in Istanbul in 2008 with the aim of being an international power developing products in line with the needs of the consumers in the wet wipes sector under the DEEPFRESH brand. In the following years, other brands were added and became an international force as well like: COMFORT LOVE, ULTRA FRESH, HAPPY KINDER, SAVON DE ROYAL, BEBE ROYAL and SAVON DE LUXE.

AKSAN KOZMETIK manufactures cosmetic, personal care, baby care products, household cleaning products and wet wipes under ISO and GMP quality standards in an integrated production facility of 30 thousand square meters in Arnavutköy- Istanbul - TURKEY. The firm exports 80% of its production capacity to various countries in 6 continents. The company is producing private label products for the leading brands and market chains in the sector. With its PET packaging and PP injection production lines, it meets the needs of its own plastic packaging and in the same time supplies the leading brands.

AKSAN KOZMETIK aims to be a leading company that is beneficial to the society, economy, country and environment. By providing the growing conditions to all employees, suppliers, business partners and customers; and by keeping the production of innovative products with the highest quality.
